

waahidriseup

“Just as a single drop finds its greatness & strength by losing its identity to **surrender** into the ocean, so too do each of us find personal ecstasy & **spiritual rising** by surrendering into the ocean

of **Allah** to emulate the standard of The Nabi (S.A.W.).

Come answer our invitation to drown with us in this reservoir of **remembrance**... Come Rise Up.” *Safeeyah Moosa*
